

Terms of Use

Introduction

This website is compiled by Oase Outdoors ApS as a service to our customers. Please read the following Terms of Use before utilizing this website. When using this website you agree to the below stated Terms of Use. Oase Outdoors ApS reserves all rights to change, modify, revise, add or remove any portion of the following Terms of Use in whole or in part, at any time.

Copyright Notice

All materials including texts, illustrations, photos and video clips on this website belong to Oase Outdoors ApS and are protected by Danish and International copyright laws unless nothing else is stated. Hence, you are not allowed to reproduce, publish, modify or create derivative works from this website without permission from Oase Outdoors ApS. If in doubt as to how you are allowed to use copyright materials from this website, please contact the marketing department at Oase Outdoors ApS.

Governing Law

Access to this website and usage of the contents of this website is governed by and interpreted according to Danish Law.

Disclaimed liability

Your usage of this website is solely at your risk. Neither Oase Outdoors ApS nor any other party involved in creating this website is liable for any damages or losses arising from your usage or access to this website.

Privacy

Any information, comments, questions, ideas or materials transmitted to the website by you will be treated as non-confidential. This means that Oase Outdoors ApS is free to use the information you transmit for any purpose whatsoever.

Links to other Websites

This website might contain links to other websites. These websites are operated by other parties; therefore, Oase Outdoors ApS is not responsible for their content. Furthermore, it is solely your responsibility to take protective measures to secure yourself from viruses and other destructive elements.

Links to outwell.com

Information about and links to outwell.com might be published on other websites. Oase Outdoors ApS takes no responsibility of the information and links published on third party websites.

Security of this Website

You are prohibited from violating or attempting to violate the security of this website. This means that you are not allowed to access data not intended for you and attempting to scan or test the vulnerability of the system or network. Furthermore, you are not allowed to send unsolicited emails and submitting a virus to the website. Violations of system or network security may result in civil or criminal liability.

Accuracy of Information

Oase Outdoors ApS makes a great effort to ensure that information published on the website is accurate. However, no warranties, as to the accuracies of information you find on the website, are granted.
